

Enjoy. Embrace. Evolve – We make the difference.

Nursery Newsletter

01.03.2019

What a lovely week back we have had. We have been super busy celebrating World Book Week! The children have adored our 'Bee and Me' story and loved learning all about bees. Friday was a treat to dress up like bees, what a super effort you all made.

Next week we look forward to a fun filled week of science!

Science Stay & Play

Next week we are celebrating Science week and on Thursday 7th March, we would love for you to come along to our stay & play and join in with some different science experiments! The children could also dress up as scientist.

We will have a morning session starting at **8.30am** and an afternoon session at **14.15pm**.

Reminder

Please can you send your child with spare clothing in the event of an accident- Nursery is low on spare clothing especially for boys.

Fire Fighter Visit

Unfortunately, the fire fighters could not visit Nursery due to an emergency. We hope to rearrange this for the near future.

Home Learning

Check out my new home learning posters in the parent notice board. There are lots of activities and ideas for super home learning!

Tapestry- Your child's learning journey is full of fantastic achievements. You can see them all on our tapestry app. Make sure to check it out weekly!

Thank you

Welcome

We would like to say a huge welcome to our new Nursery friend who joined our Nursery this week. He sure is enjoying Nursery life and has loved exploring the different environments. We hope you have had a fantastic week!
