

Enjoy. Embrace. Evolve – We make the difference.

Nursery Newsletter

30.11.2018

As Autumn is certainly coming to close, we have spent a lot of time outdoors, enjoying the last of the mild weather before winter sets in - but we are looking forward to the possibility of building snowmen and having new adventures. Christmas is sneaking upon us and we have lots of fun and amazing activities in store!

Reminders - Costumes

We kindly ask if you can have your child's costume no later than the **7th of December**. If you need any assistance with their costume, please ask and we will be happy to help!

Thank you

Christmas Stay and Play

Come along and join your child in Nursery for a session full of Christmas activities. Everybody welcome... We'd love to meet some new faces; why not bring your friends and their little ones too!

Thursday 6th December

Morning session **8.30am**

Afternoon session **2.15pm**

Christmas Nativity

Our Christmas Nativity is on **Wednesday 12th December at 10am and 1.45pm**. We ask that all children are in Nursery for the full day. Children who normally do a full day on a Monday or a Thursday will swap their session to the full day on the Wednesday. The performance will be in Nursery as we want the children to feel comfortable when performing. Each child is allocated **two tickets to one of the performances**.
