

Enjoy. Embrace. Evolve – We make the difference.

Nursery Newsletter

18.01.2019

Welcome back and a happy new year to you all! We hope you all had a fabulous Christmas break.

The children have settled straight back into Nursery life and we have been loving learning all about the season Winter with a range of exciting activities!

Our topic this half term is 'People Who Help Us'- We will be learning the different roles and responsibilities of the people who help us in our community.

Fire Fighter Visit

On **Tuesday 22nd January** we will be having a special afternoon as Skelmersdale fire fighters are coming to visit us!

If your child does the morning session, we ask if you are able to change to the afternoon session which starts at **12.30pm**.

Reminders - Spare Clothes

Please have a spare change of clothes with a few pairs of under ware, and socks- just in case!

Please can you return any spare Nursery clothes as we are running very low.

Thank you

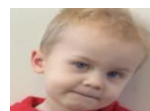

Home Learning

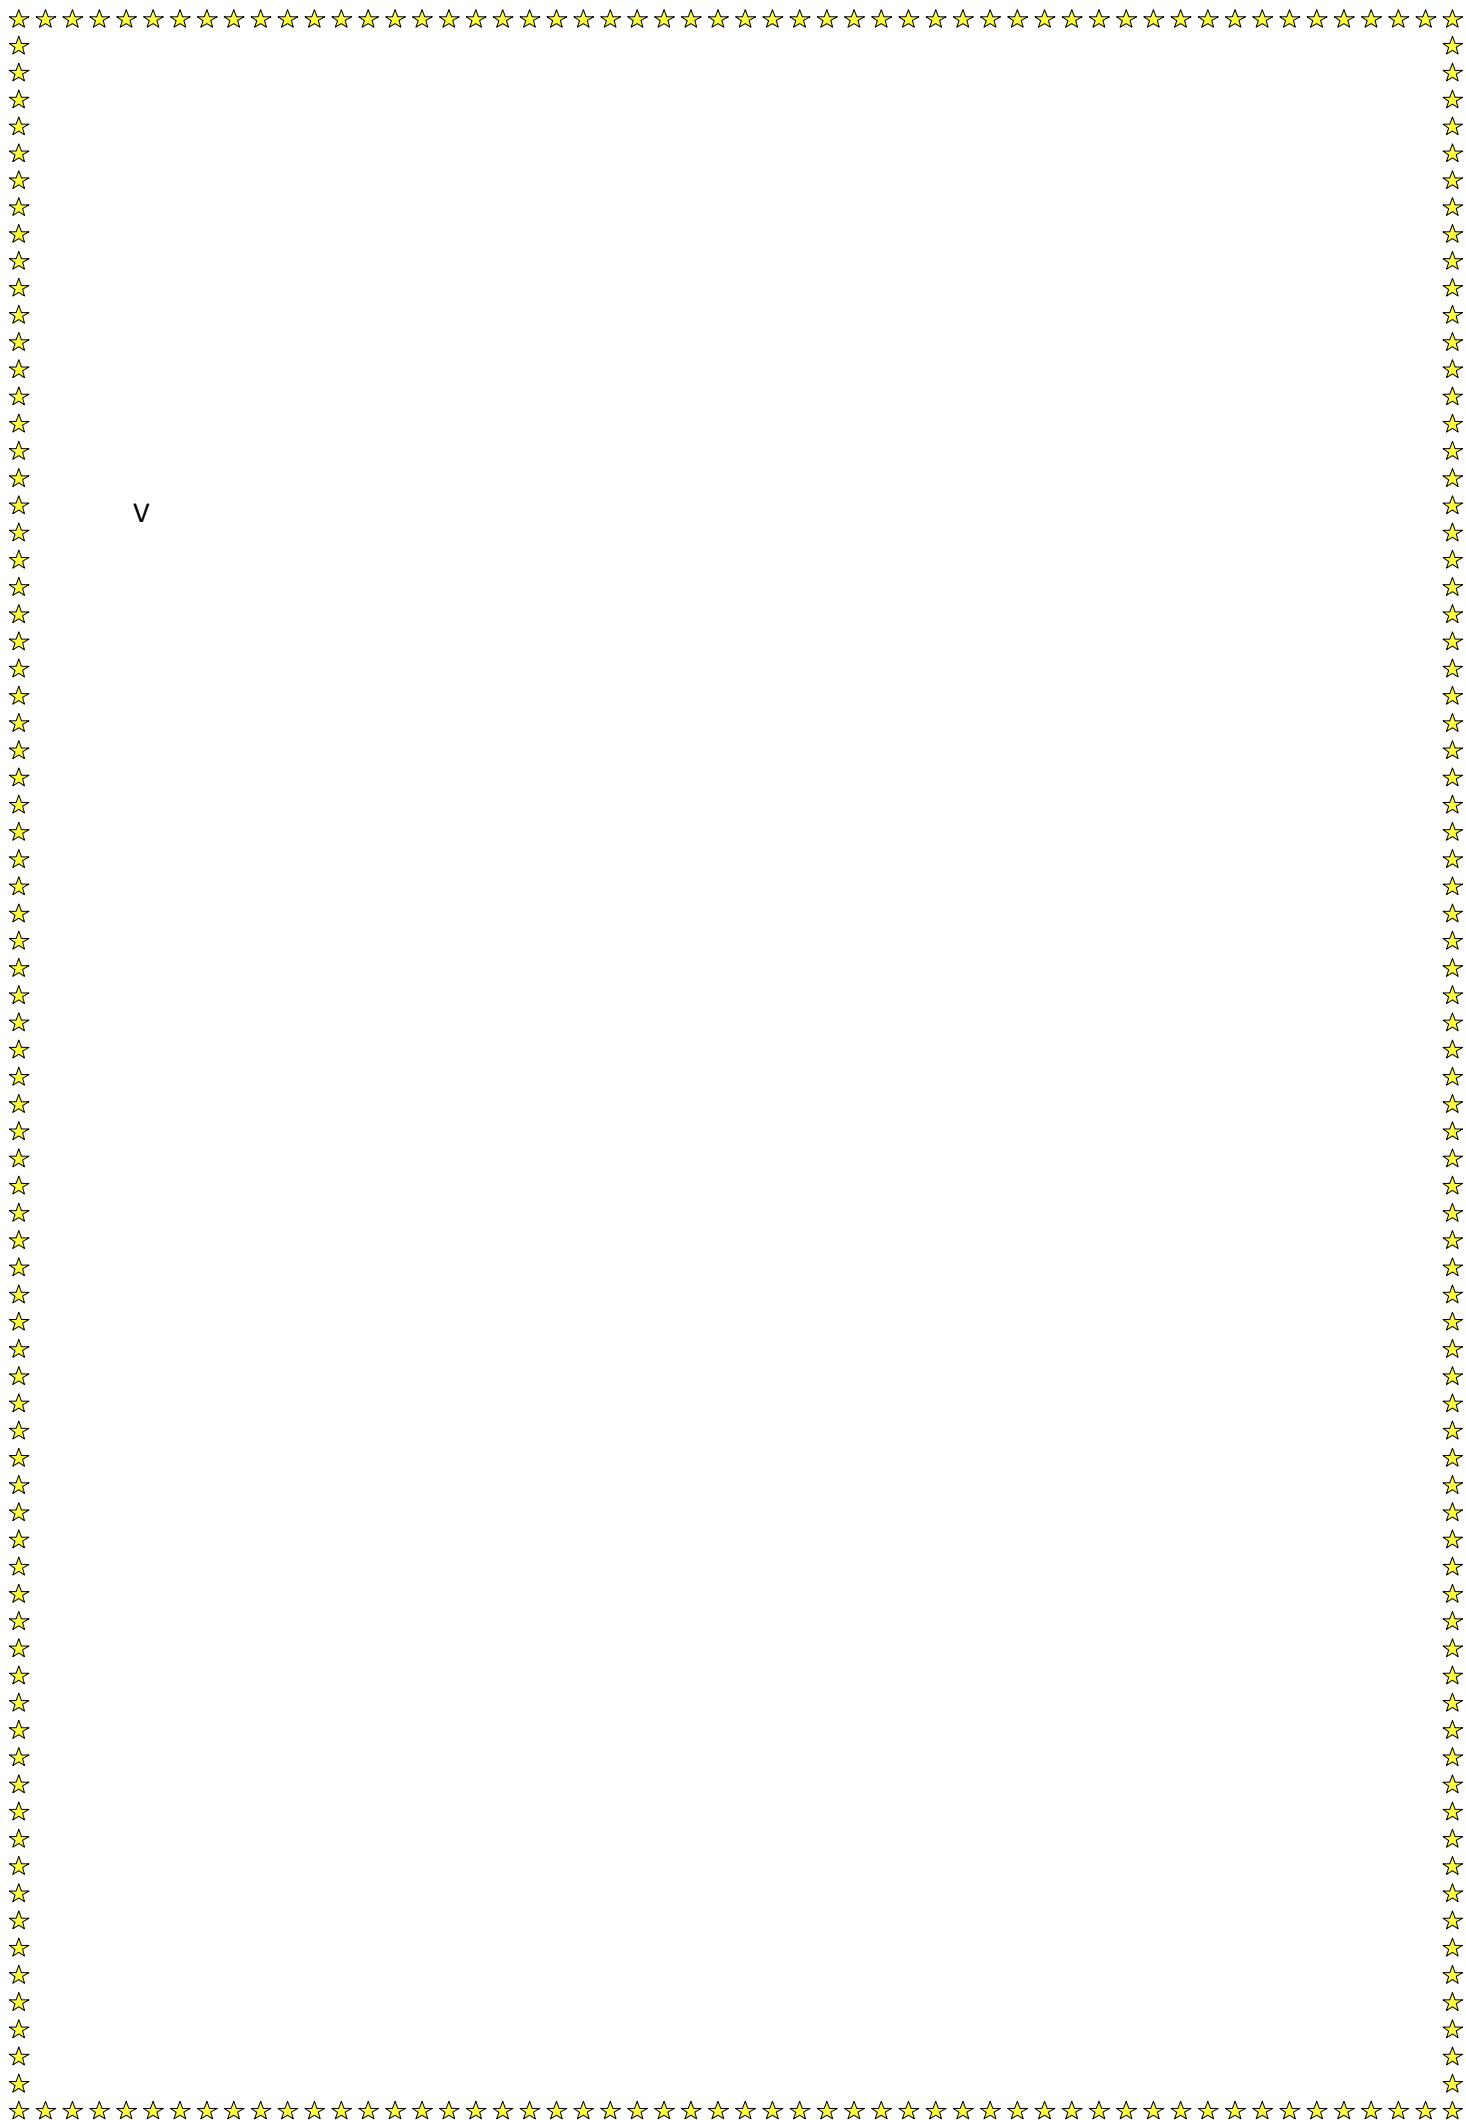

There are many people who help us in and out of school. Explore stories and discover all the different people who can help us.

As our topic is about helping others, why not help your little one with their phonics and number recognition? It's educational and lots of fun too! Check out jolly phonics and play lots of number games.

Welcome

We would like to say a huge welcome to Ethan and Oliveris who have joined our Nursery. They are settling in nicely and are enjoying exploring their new Nursery environment. They are both lovely little additions to our Nursery.
