<b>Matters Arising:</b>	
Suggestions from the School Council display	<p><b>Napkins in the dinner hall:</b>            This sounds like a good idea because you will be able to clean your hands whilst you're eating. It might become messy if children do not put them in the bin and leave them on tables or on the floor.</p> <p><b>Slime club:</b>            This could be run by a member of staff in September. Slime is very popular in school at the moment and children would like to be able to make it in school. The new School Council in September will discuss this to see if slime is still a popular topic.</p> <p><b>Paint the trim trail:</b>            Some children have said that the trim trail is looking a bit old and it could do with a refresh. School Council to go and look at this in the next meeting.</p> <p><b>School newspaper kept online:</b>            School Councillors to have a think of how this could be done. On the website? On the app?</p>
Active playtimes <ul style="list-style-type: none"> <li>- Is it still working?</li> <li>- What is not working?</li> <li>- Is there anything we can add?</li> <li>- Is the LEGO now being used?</li> <li>- Are the books being used?</li> </ul>	Children are really enjoying the sports equipment being out, most children are using it. The LEGO is now being used. The School Council said that they would prefer proper tennis rackets and tennis balls. Mr Ward to look at the PE budget to see if we can get any.
<b>Agenda Item</b>	<b>Actions</b>
PE PAQ <ul style="list-style-type: none"> <li>- What can we ask the children in the questionnaire?</li> </ul>	What sports do you enjoy the most? Do you take part in sport or activity at play time? Do you use the active playtime equipment? What equipment would you like to see introduced on the playground? What new clubs would you like to see introduced?
